Andrey Felipe Jimenez Campos

San Jose, Costa Rica • linkedin.com/in/andreyfelipejimenez • +506 87786050 • andreyfelipejimcam@gmail.com • github.com/felipejimcam25

Junior Frontend Developer focused on building responsive landing pages with HTML, CSS, JavaScript, and React. Experience developing structured web interfaces, collaborating using Git/GitHub, and solving problems under pressure — demonstrated by achieving 2nd place at WorldSkills Web Technologies. Passionate about writing clean UI code, learning modern frameworks, and growing within a high-performance development team.

EXPERIENCE

National Coffee Congress Website – Team Project / Academic Work   **Cartago, Costa Rica**
Frontend Developer   *Oct 2024*

- Designed and developed a website for the National Coffee Congress using HTML, CSS, JavaScript, and Bootstrap.
- Collaborated with a small team to gather requirements and deliver the MVP.
- Although the project was not launched, it demonstrates full-cycle web development skills.
- https://github.com/felipejimcam25/National-Coffee-Congress.git

WorldSkills Américas – Web Technologies Competitor   **Santiago, Chile**
Bronze Medal – Santiago, 2025 – Fullstack Development   *Nov 2025*

- Developed complete web solutions under strict time constraints, including frontend, backend, API consumption, and database integration.
- Built projects from scratch based on technical specifications, evaluator criteria, and international standards.
- Demonstrated skills in problem-solving, responsive design, optimization, and performing effectively under pressure.
